PRESCHOOL PROGRAM

CHBC Parents Day Out Program is a weekday program for children ages 1 to 3 years old. Our program will be open on Tuesday and Thursday with a limited enrollment. All classes will meet from 9:00am till 2:00pm. Each classroom will have two teachers.

CURRICULUM

All of our teachers will be utilizing a Christian based curriculum from the youngest age to the oldest child in our program. All children will be encouraged to participate in our activities as we teach them consideration, kindness, sharing and concern for others. All of our children will be taught in a positive Christian learning environment.

PARENT POLICY & PROCEDURES

1. Children in our younger 3s class must be actively potty training. Children in our older 3s class must be completely potty trained but may wear a pull-up at nap time. Diapers in our 3s classes are not allowed.
2. All toys & stuffed animals must be kept at home. The only exception is a blanket or small stuffed animal that can be used for rest time only and will remain in the child's cubby throughout the day.
3. If you have custody of your child, and have a court order showing that the non-custodial parents or anyone else cannot have access to your child, please provide us with a copy of the court order.
4. If anyone, other than the people listed on your "pick up list", is picking up your child let the teacher and director know. We will ask that person to provide a photo ID before your child will be released.
5. There should be no one in the classroom except for the teachers, staff and enrolled children. Every teacher and staff member has passed, and has on file, a background check. All doors in and out of the building will be locked for your child's safety.
6. Do not bring your child to class if they have a fever of 100 degrees or higher. They must be without fever, medication, vomiting and/or diarrhea within the last 24 hours before they can return to the program. Illness guidelines will be provided on the last page.
7. Your child should wear comfortable play clothes, and closed-toed shoes. NO flip flops. They will be painting, gluing and playing outdoors.
8. Your child will need a lunch, cup, and nap mat each day. Please label these things along with coats and any other personal items your child brings to the program. Please do not send any foods that require warming or refrigeration, with the exception of bottles.
9. If you wish to bring cookies, cake or cupcakes on your child's birthday, please notify the teachers in advance and check for any allergies.
10. We will observe the same weather days as the Mustang Public Schools. If the schools are closed because of weather, we will be cancelled.

PARENT POLICY & PROCEDURES

(Continued)

11. We prefer teachers not to administer medication to your child. You may come and give your child medicine as needed. Special considerations may be given depending on the situation. Please talk with the director if your child needs medication.

DISCIPLINE/BITING POLICY

By 18 months of age, children are old enough to be taught that biting hurts and to make better choices. Our teachers will work with the child that is biting by redirecting them. The teacher can use time-away from the group for one minute per year of age. If those methods show no improvement, parents will be notified and the child will be suspended for one week of class so this behavior can be worked on at home. If the child returns to the program and continues to bite, the child will need to take a break from attending our preschool program until the biting has stopped. **This same procedure will be followed for children who hit, push, spit, scratch, or otherwise inflict injury on other children or teachers. Teachers are trained in age-appropriate discipline methods. Parents will be informed if inappropriate behavior continues after approved methods of discipline are tried.

ILLNESS GUIDE

Children who are ill or contagious cannot be brought to our preschool program. If your child is exposed to anyone in the home with a fever of 100 or greater (strep, flu, stomach bug, etc.) we ask that child to stay home until the household is fever free. Please message your child's teacher if your child will not be present. A parent will be asked to pick up their child if symptoms begin or observed during the day. Your child must be symptom free for 24 hours before returning to the program.

Some Common Symptoms Include

- Yellow/green discharge from the nose/eyes/ears
- Contagious skin rash (boils, ringworm, poison ivy, etc.)
- Lice (child must be both nit and lice free)
- Strep throat or inflamed mouth or throat
- Mumps, measles, whooping cough, chicken pox, pneumonia

ABOUT CHBC

We are a Southern Baptist Church with a solid foundation, established in 1964, that is striving to share the love of God with not only the Mustang area, but all over the globe. We are comprised of multiple generations of families and friends that lean on and support one another in our walks with Christ.

WHAT WE BELIEVE

The Bible

The Bible is the holy word of God completely true and relevant in today's world. It's both historical and educational. It was written by over 40 different authors over a period of more than 1500 years. It tells one continuous narrative of God's grace and glory in creating and ultimately redeeming mankind.

Jesus

Jesus Christ is the only Son of God who came to earth to seek and save sinners by dying on a cross therefore paying the debt that each of us owes. Three days later he rose again, defeating death and offering hope and eternal life to anyone. We believe He is coming again to redeem all those who hope in Him and bring about his perfect kingdom forever.

You & Me

We believe every human life is valuable and created in the image of God. However, as a result of sin, our condition has been broken and fallen and we have each fallen short of God's perfect standard and as a result, deserve death and eternity apart from our Creator. We need a savior.

Baptism

Water baptism is an outward reflection of an inward transformation that has taken place when we accept Christ. Jesus instructs His followers to follow Him just as He was baptized.

WHAT WE BELIEVE (Continued)

Salvation

Salvation is simple. It is nothing we do or say that saves us but only faith in the finished work of the cross by Jesus. His strength, His perfection and His love is what makes us right with God. All we have to do is believe it. It's a change of the heart from being hostile to God to living for Him as a result of knowing what He's done.

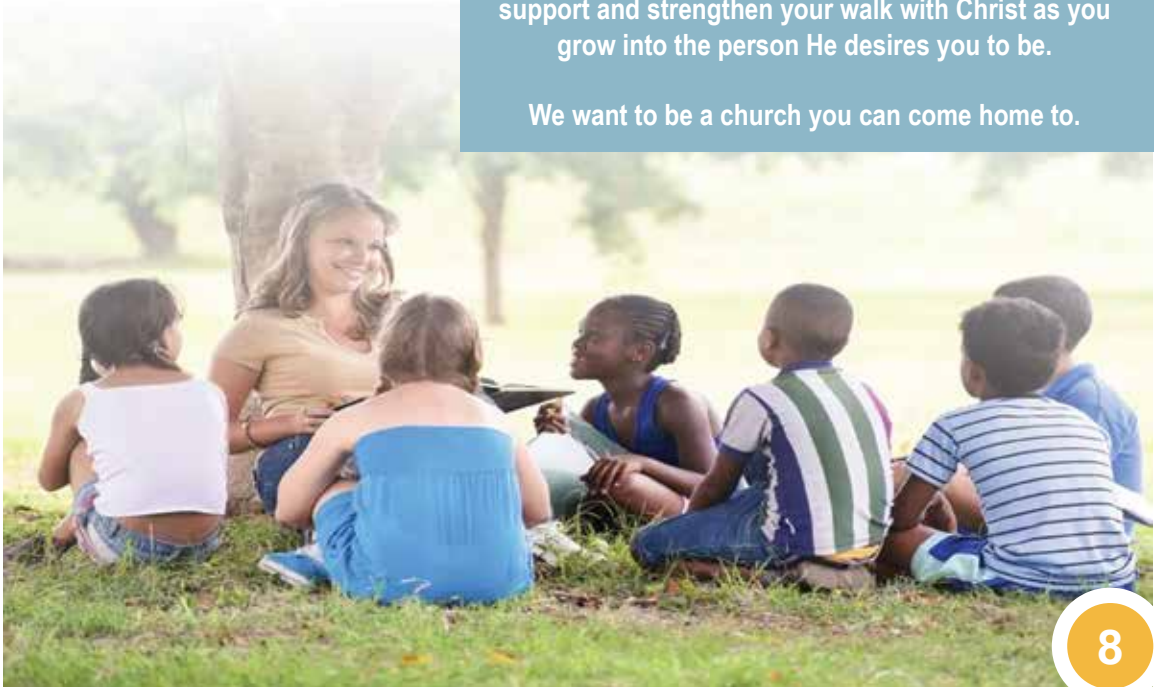

Church Membership

Church membership is done through either baptism after salvation or through a letter from a sister Baptist church that you were previously a member of. We believe that becoming a church member strengthens not only you, but the life of CHBC! If you are from a church of like faith and belief, then you can join by statement.

OUR MISSION ...

We exist to reach people with the gospel. It is our goal to spread the Word of God to the city of Mustang the surrounding area as we make disciples. We want to support and strengthen your walk with Christ as you grow into the person He desires you to be.

We want to be a church you can come home to.

Jesus said,
“Let the little children come to me,
and do not hinder them, for the kingdom
of heaven belongs to such as these.”

Matthew 19:14
